PROFESSIONAL EXPERIENCE

Freelance Web Developer | 2023- 2024

Self-Employed | 1 Year

- Designed and developed simple yet responsive websites for local businesses and individuals, such as:
- Personal portfolio websites
- Basic company introduction websites
- Informational landing pages
- Ensured mobile-friendly design using HTML, CSS, and JavaScript.

Web Developer | From 2024

Private Tech Firm

- Collaborated with a software company on more advanced web development tasks.
- Contributed to a SaaS-based project, handling backend logic with Node.js and MongoDB.
- Worked on admin dashboards, API integration, and user authentication systems.
- Helped build scalable architecture for a web application with multiple user roles and features.

EDUCATION

Bachelor of Engineering in Information Technology

Savitribai Phule Pune University (SPPU)

- 2024 – Present (Currently in 2nd Year)
- Awarded for Best Innovative Idea

PROJECTS

1. Portfolio Website (Client-Based Project)

Developed a clean, responsive personal portfolio website using HTML, CSS, and JavaScript. The site included sections like About Me, Projects, Contact Form, and social media integration. Deployed on a live server with basic SEO setup.

2.Multi-Vendor E-Commerce Platform (Ongoing Project)

Currently developing a scalable multi-vendor platform where sellers can register, upload products, and manage orders. Includes separate dashboards for sellers, users, and admins. Focused on building robust backend APIs, payment integration, and advanced role-based access system using Express.js and JWT.
